“ Miss you Grammy I've been mourning and weeping feeling sorry about your passing. We all miss you. My Dad was sobbing when he told me and I remember the fun trips we used to have going to florida to visit you. I also miss when you and Grampy drove nonstop to visit us in Connecticut when I lived in Brooklyn with my mom and dad. I ask for you and grampy to please look down on my whole family and I on earth from heaven.

“ We are members of Mark and Penny's church family. Although we did not know Ellen. We can see what a wonderful woman she was through Penny. It is a tragic thing to lose a mother. I give thanks that Penny and Mark was able to have her as long as they did. God grant Ellen's family peace and comfort. Memory Eternal for Ellen's memory. She is asleep in the Lord.

“ I am sad to hear about the passing of Aunt Ellie. I have many fond memories of her, Uncle Tom, and all of my cousins. I regret not having a chance for one last visit. I would have loved to have had the opportunity to introduce her to my wife Erin and daughter Evelyn. I hope all of you reading this find comfort among one another and in knowing how much she will be missed. Love, David, Erin, and Evy Chick
