“ So sorry to hear the news! Joann was a wonderful person and so loved by my parents! She will definitely be missed! So glad I got to meet her when I was young on our first family trip to Florida, then again several years ago when I visited my parents in Florida! She was such a kind soul - and so friendly and loveable!

“ JoAnne was my mentor at Webster UMC. She guided me as a Christian, as a music director and to get more involved in the church by serving. Even when she lost most of her eyesight, she was there for me.

*I wish I could attend the funeral, but due to recent health problems and poor eyesight, I can't drive that late in the afternoon.*

*My condolences to JP and the rest of the family.*
