“ *I am so sorry about the lost of Eli. I have been out of town for a couple of weeks and just got the email from Molly. I just want you to know even though I only met him one time he made a huge impression on me. I was very lucky to have been on his Make A Wish Flight. He will always be in our hearts. He is soaring with the Angels now. I tell everyone I see about the flight and F.R.O.G.*
