“ *So fortunate to have known Linda years ago at Whiteman AFB when I was brand new 2nd Lieutenant missile launch officer and Colonel Butler was my squadron commander. She was a very classy lady. Sorry for your loss and my thoughts are with you all. Bill*

“ *Oh Ann, I can't imagine the pain and loss you're going through. I loved both your parents, and always at Pueblo I remember them both helping to get you and Jacey's horse Awesome Apollo ready. Damn you were good! And no wonder you are so beautiful, I truly forgot how beautiful she was. Please call if you need to just talk or cry on a shoulder anytime.*

Your parents were so excited to see you in the saddle again. You've always taken such great care of her, especially since losing your dad.

*I truly wish Jacey and I could be there to give u a big hug 🤗
Although not in person, we'll be there in spirit.*

“ *My sincere sympathy to all the family. I still cherish a picture of Elinda Ann and Don’s wedding in which I was the flower girl. I thought she was beautiful then and remained beautiful throughout her life.*
