“ I would like to offer my condolences to the Johnson family during this time of loss. Although I didn't know Mrs. Johnson personally, I understand the heartache that is caused when a wonderful person falls asleep in death. There was a scripture that was very encouraging to me when I lost my grandfather, and I would like to share it with you. It is found at John 5:28,29 it says that "All those in the Memorial tombs will hear his voice and come out." So although Mrs. Johnson has fallen asleep in death, she has not been forgotten by God. In the very near future he will resurrect those in his memory!
