“ *Dear Mr. McReynolds and Family, My name is Winter. I am just a neighbor giving my condolences. Her obituary page is really pretty including her beautiful picture. Even though, it has been just a little over 2 months often we are still coping with grief. I just have to say do not rush it, research has found and personal experience that doing so stifles the healing process. I hope the whole family grieves peacefully each at his own pace. What helps me along with, talking ,writing and crying is reading the Bible, particular verses that show what God and Jesus told us they will do for us regarding our dead loved ones. These really help: John 5:28-29, Acts 24:15, and Revelation 21:3,4. Again, my condolences. Sincerely, Winter*
