“ *she always had a smile on her face. Always was positive in everything she said. She was a friend to everyone around her. The Seniors at the Senior Center are going to miss her when she said BINGO. She was a great person to have known. Bea*

“ *Even though we didn't know Elsie personally we would still like to extend our deepest condolences for your loss. We would also like to share something that has brought us comfort in the past. The bible brings us comfort and hope for the future. It also shows that there is a real hope for persons who have faith. (John 11:25)  
Rev. 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*
