“ Dear Mary, I'm just seeing this about our dear friend, Al. I've been trying to find you and Al for many years, and decided to do a Google search and found Al's name. He passed away just 2 1/2 yrs after Earl! I wish I had known sooner, my dear friend. I'm still trying to get in touch with you, so please feel free to contact me by email at camping-gal@new.rr.com, on Facebook or ph# 920-544-4019. Earl and I thought about the two of you often over the years and have missed you dearly. As a widow now for over 10 yrs, I hope and pray God had drawn you closer and surrounded with his love, peace and comfort. Love and miss you, Linda.

“ I was informed today, Feb 20 that Elvin had passed away. I am saddened by this news. I worked with "Al" at BIW when I first was hired there in 1978. He made me feel so welcome and helped me in my transition from Connecticut. When I first started there, and was house hunting while my wife and 2 children were in CT, he would daily help me look for houses. Telling me, "Dave I saw a really neat place this morning on the way in, it's up route....", Often going to a map we had on the wall and showing me how to get there. His advice was instrumental in my wife and I purchasing the home we currently live in. He also help me adjust to the shipyard. He was a wealth of knowledge and was very willing to share it. Mrs. Pottle, please accept my sincere condolences to you and your family. Dave Heivly Pownal, Maine
