“ I am so sorry for the passing of Elzie, my condolences to the Davis's and Family. I know too well the pain of losing a love one in death. What brings me great comfort is Gods promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Death will be done away with and we will see our love ones again. I hope this brings you as much comfort as it does me
