

Emily Jane Mattingly

March 13, 1961 - March 15, 2022

Emily J. Mattingly (Clapper) graduated to heaven on Tuesday, March 15th, 2022 at home in Leesburg, FL after a long hard-fought battle with Breast cancer.

Emily is survived by her husband Steve Mattingly, her children Leah Mattingly and Hannah Mattingly and Grandchildren Kaiser and Sawyer West and beloved dog Gus. She also leaves behind her brother Robert G. Clapper III and many nieces and nephews.

Emily was born in Champaign, IL on March 13th, 1961. She graduated from Mahomet Seymour High School in 1979. Emily also graduated from Parkland College with an Associate's in applied science in 2002 and Eastern Illinois University with a Bachelor's of Science in May of 2011.

She enjoyed camping and boating. Being crafty and spending time with family and friends. She was a bright woman with a great sense of humor and always brought a smile to those around her. She will be deeply missed and the world is a better place for her being here.

A celebration of life will be held at a later date back in Illinois where she lived most of her life.
