“ There's so much I could say about my big brother I can tell you he was a self made man. He worked hard for everything he had he was a talented woodworker. He enjoyed playing his guitar and telling jokes. He came to visit me in Ga. one time and I sneaked a cassette of him playing and singing and had them introduce him as Jr. Cook he was tickled that he could honestly tell people he had sang on the radio. He enjoyed living and he enjoyed his job but most importantly he loved his family. I love you big bro. and will miss you always. I know your up there singing, playing and telling jokes. You may even be trying to sell somebody something.

“ I wish to express my sincere condolences to my family. My memories of my late uncle are of a man honest and hard working who never met a stranger and always had a kind word for everyone he met. He will be greatly missed and will always be loved, I know when we all reach heaven he, ll be there waiting with open arms. I love and miss him as I know the rest of his family do as well. I'm sorry I couldn't be there to celebrate his life but I love you all and wish you the best.

“ *When I was a kid, Junior used to pay me 25¢ to scratch his back. We all looked up to him, and knew that he would succeed in everything he chose to do. The family is in my thoughts and prayers. He will forever be missed. With love, Carol*
