“ My love and condolences go to all of the family of Pete. I met him many years ago when I first started dating Mark. My memories are of his ever present smile and a hug each time we visited. He had a great love for his family and his friends and I count it a blessing that I was considered in both categories. Pete you will be missed but I know we will see you again one day. Again, to the family, my condolences, I love you all.
