“ *Barbara, Eddie & Barbara We are sorry to hear about the passing of Herb. I still remember the time we went sleigh riding in the fields below your house in North Carolina. Herb had his snowmobile. So we would ride down the snow covered hill on our sleighs and he would take us back to the top of the hill on the snowmobile. And also how he loved his motorcycles. That is how we will remember Herb. Our hearts go out to you and the family in your time of sorrow.*
