“ My beautiful boy, Eric. One of the happiest moments in my life was when you were only a few hours old...I held you, facing me, in my arms and we both looked at each other and giggled in tears. The joy & happiness swirling around us both made your dad giggle with happy tears too. I thanked God for blessing us with such a priceless gift...you Eric. I will cherish my wonderful memories of you forever. A piece of my heart and soul went with you when you passed. I think about you every day and I know you are at peace. I see YOU in all things LOVELY & BEAUTIFUL. Your memory will endure on this earth in many ways. Through your amazing daughter, Annabelle AND through ALL of whom lives YOU touched. So I won't say goodbye...instead I say with LOVE.. Until we meet again my son. I Love you Eric.. Your mom

“ My heart is so sadden by Eric's tragic death. I will always remember the sweet, brown-eyed, energetic little boy that I knew so well. His death is devastating. My sympathy and my prayers are with his family, especially Keith, who was always there for Eric. I pray through this that God will shower him with His love and provide him with the strength and faith to sustain him in the coming months...and years- as I also pray that Eric will rest in peace. In deepest sympathy & love, Regina
