“ *Thompson Family: You are such a beautiful, beloved, and well-respected family. It breaks my heart that TJ and his son have endured such a devastating loss. I take comfort that they belong to such an amazing family that envelopes one another in love and support. It is a testimony to your family that I know my dear old friend, TJ will never feel alone and be void of joy in his heart for mere moments in the scheme of life.... No easy feat and in fact a miracle in the face of losing the love of ones life, but that is the power and level of greatness of the Thompson clan, lead by the beautiful matriarch, Daisy Waterman. My admiration runs deep though my heart is heavy. You are in my prayers and thoughts.*
