“ To my Balint family - my condolences go out to all of you with the passing of your mother. I will always remember Aunt Emma with warm and loving thoughts as a woman who made everyone feel so special.....from days at the cottage and races when I was so young and even the recent years after I moved so far away.....she always remembered my family and I with her Christmas cards and to send her best to us through my mom. The family and the world lost a wonderful woman.....and heaven has gained a blessed angel. Rest in Peace Dear Aunt Emma....

“ The best memories of my childhood come from the times spent with the family of Uncle Frank and Aunt Emma. Thier kindness will live forever in memories of boating, outdoor dining, horseshoes, marathon games of tripoli, bonfires, but most of all laughter and togetherness.

“ *Dear Pat, Frank, Dan and Gary, words cannot express the sorrow felt at this time. Aunt Emma was my guiding light from the time I attended her and Uncle Franks wedding at five yrs. old until now at sixty six . I will miss her phone calls and all that I had to learn from her as I know all of you will, but I also know we will pass all the love and joy she gave to others for generations to come. “ Erma was such a wonderful woman. We have many happy memories of both her and Frank. We always felt welcome both at the cottage and in the good old St. Mary's house. She put up with all of our antics without complaint and was always willing to lend an ear. I'll miss my annual New's Eve call. I'll throw on my muu muu, Kevin can put on Frank's Hawaiian shirt and we will toast to your wonderful life God bless.

“ *What moves through me is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, I may not understand why you left this earth so soon, or why you left before I was ready to say good-bye, but little by little, I begin to remember not just that you died, but that you lived ... and that your life gave me memories too beautiful to forget! My deepest sympathy to the family and as you try to comprehend this profound loss, let yourself cry knowing each tear is a note of love rising to the heavens! May the peace which comes from the memories of your love shared, comfort you now and in the days ahead. My love always ...*
