“ I was so sad to learn of the passing of my friend and fellow coca-cola bottle chaser. Ernie was a fantastic person and all the great times we had will always be remembered. I suspect while we are mourning his passing he has already figured a new path as Ernie never let grass grow under his feet. Ernie loved his wife and family and was always there when they needed him. Married over 63 years is really a blessed accomplishment. We love you Barbara and are thoughts and prayers are with you.....
