“ Dear David, Ben and Family, I was so saddened to hear of Ernestines passing. What a lovely person she was. It was a blessing that I was in the Villages this year and had the opportunity to be with both David and Ernestine. I just wish that I had more time with her. My thoughts and prayers are with the family. Much love, Barbara

“ David, I'm so sorry. We spent 30 plus years together, she was my friend and part of my family. We cried together when I lost my son and helped me through one of the most difficult periods of my life.....as she told me "trust in God' He will help you get through.....heed her words. Be strong for your kids, I will miss a friend.....take care. Mike

“ Dearest David and Family, Please accept our deepest sympathy on your loss of dear Ernestine. She had style, flair and a deep connection to the human condition. We've laughed and cried together, riding the waves of life. She contributed so much to me and my family in her time here with us. She was a friend, teacher and second Mom to me-always there to help or even make me smile. We will miss her immensely but will always treasure the time spent knowing and loving her. Our thoughts and prayers are with all of you. With love, Belinda, Joe & Jeffrey

“ I have known Ernestine for many years in a professional capacity as she was involved in the Human Resources function of a New Jersey Hospital. She was also known and respected by her colleagues in the industry as a dedicated and competent professional. All that came in contact with her were better as a result. We will miss you Ernestine. On behalf of our 20,000 members of the Healthcare Employees Federal Credit Union our thoughts and prayers are with you and your family.
