“ *What is there to say about the most kind person that God created. Ernie was wonderful. Always a smile. He created Nordon and up to the time he retired - took care of so many many people and their families. I have fond memories for the years we worked together - whether it be at our picnics, coming back to work at 4:00 pm after a day of golfing just so that we couldn't leave work early, listening to music while he took a nap, making us volunteer for the German Fest (he always reminded me that I was only 1/2 German), or just his perfect smile every morning. Rest in Peace Ernie - you will be so missed. Love Theresa Dickerson*
