“ *My deepest condolences to the entire family. Your Mom (my Aunt) was the greatest! One of my larger regrets is that the miles between us meant my family couldn't afford to come down to visit.*

“ We want to express our condolences to you and your family. I'll never forget when we both were over at Tavares for jury duty. Your Mom ask me for a ride home if we were dismissed. It wasn't long before we were on our way to Leesburg. We were both happy about that I know she will be greatly missed. Our love and prayers. Gene & Ginger.
