“ I have only fond memories of Ethel. She was always kind to everyone. She was the perfect definition of hospitality. She loved children, and taught me some things when I was a young mother that I will always remember. In our early days at Faith Evangelical Free Church Patty and Cliff would invite us and our children over to Cliff and Ethel's house after church for Sunday dinner. Cliff and Ethel would welcome us with open arms and include us in the family. I have some cute pictures of my little ones taken by Lenard by the Twetan fireplace. I rejoice that Ethel is with her Jesus now.

“ *I will always remember what a gracious host she was always opening her home for Christmas and treated our family like part of the family. Sympathy and prayers for your entire family and friends she will be missed and we were sad to hear about her passing. She surely is in heaven rejoicing with her loved ones and church family now who went on before. A blessing she was to know. Love to the rest of the family at this time, Cindy and Dave and the Kremer family.*

“ I have such fond memories of Aunt Ethel. She was always welcoming and always offering you something to eat. You never left her house being hungry. She was always kind and I never heard her talk bad about anyone. Praying for the family. Love, Joe and Dawn
