“ I am so sorry for the passing of Ethel, my condolences go to her Family and friends. I too know well the pain of losing a love one. What brings me great comfort is Revelation 21:4- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." We can look forward to death being brought to nothing and seeing our love ones again! I hope this brings you as much comfort as it does me

“ Our moms were friends when they lived at The Villages at Unity in Rochester. Ethel and I became friends when my mom was hospitalized, and we went to the Villages Christmas Party together. We have corresponded ever since. She was a grand lady and I am proud to have been her friend all these years. Please accept my my sincere sympathy and know I will carry her in my heart of fond memories.
