“*Eulah, Hi, Murf Here. Sure was a shock to hear of your passing. Thank you for being you and mostly for loving my Dad the way you did. I used to thank you for keeping him alive with your undying love for him. Lord knows he was a mess prior to you starting on your 30 year journey with him. I never felt like a "step son" as your love was as beautiful to your family as it was to your new family and we thank you for that. I pray that you will be joined together again in heaven but if I could ask one last favor it would be this: Please look over my Dad and help him go on until God decides its time for you both to be together again. He is beside himself with grief now that you are gone. Please comfort him with your love from above and let him know that you will save a spot upstairs for him. You are/were a special person to everyone but especially to "Hap". Thanks again for being there for everyone and know that we did and will love you always. Your extended family-The Halleys*
