“ Sending sympathy to the family and praying for comfort and strength for all of you. Mike was reminiscing last night about a hunting trip with Eulee and some others, way back when. Eulee had many friends who will miss his presence. He was an asset to his family, his friends, and his community, and his positive influence will remain. We love you all.

“ *Our thoughts and prayers are with all of you. We enjoyed Eulee's friendship. Scott and Eulee became such good friends with their love of the bees. They shared lots of time together, either working the bees, or just visiting together. It was always a pleasure to have him around. We will greatly miss him. God Bless You All.*
