“ I just learned of Eunice Pearl's passing from our Aunt Lovie Reeves in California. Lovie is the last remaining sibling of Aunt Doris, and I am Eunice Pearl's cousin. So sorry that Eunice Pearl has gone on to be with the Lord, but imagine she is happy there with her mom and other's who have gone on before.

“ Eunice was such a special person and she touched the lives of so many. I had the pleasure of working with Eunice for many years and she was such a true friend. She loved the kids and her peers and was there for anyone that needed her. I will miss Eunice and our conversations about any and everything. This is not good-bye, but looking forward to the day we meet again.
