“ I will miss my ole friend, Eva. We have made lots of memories together in the past year. As couples we watched football all together at different homes and had such good food, and great times. The last 3 years have been so busy and fun times for Eva and her family that we saw little of each other, but always checked on her by phone. Her driving here or there to help one of her family members to decorate or move pictures and furniture, or clean their home with her loving help. Loving the new babies and pets. What a trooper she was. She will be missed by me and many. Lillian

“ We are so sorry to hear of your family's loss of what I am sure was a tremendous woman! Just knowing her son George and his family has been a true pleasure and inspiration and I am certain it is in large part to this mother and her influence. God holds her in the light ...Blessings Lisa , Ally and the Rost family

“Granny” as she will always be affectionately known in our hearts and minds. The most vibrant woman I knew. We were all so proud to point her out and say to everyone, “That’s my Granny” from us grandkids to our own children, Mikayla, Alex, and Jeffrey have been blessed by having the time with her that they did. She will forever be in our hearts and always in our memories. We will love you forever Granny! The Hoschak Family
