“ Just learned of Sybil's passing yesterday. I am so sorry and extend my most heartfelt condolences. She and I tried to keep in touch by phone at least once a week. I took her to church on those occasions she was able to go. She loved to go. I have always been so inspired by her strength and spirit to push through life without complaint even with her disabling problems. She will always be a loving remembrance to me. Audrey, you had a great Mom, as I know you are aware. Based on her faith and love of the Lord I am assured she now has a new body with all ability to live it well.
