“ To Mary Ann and the Richards family. While Evan and I knew each other such a short period of time in his journey, having met him during my career and through mutual friends he instilled in me to give and share whatever gifts I could to benefit others. He was also so gracious and sincere to me and my family. I am a better person because he was a part of my life. I know we all share in the loss of such a great person who by his mere presence made us appreciate all life has to offer. I will miss him dearly but I assure you I will continue to live and share his positive energy and passion to help others as my commitment to him. Love you very much - The Rohan's

“ To Evan's family' I am a high school classmate of Evan's and had not seen him since we graduated. Wanted to tell you that he was a great guy even then and well respected. I loved when we sat close in Latin Class. We had a lot of fun. Please accept my sincere sympathy in your loss. I can tell from his obituary that he continued as a wonderful person.

“ My deepest sympathies to Evan's family. I wanted you to know how much he supported the start up of the Hospital Lobby Musician program of which I had the pleasure of coordinating for 5 years. He always represented our interests on the board that resulted in us getting a new keyboard. And, he always acknowledged me wherever I was playing, especially at Ray Leggerio's "Cabaret" which supported the Hospital Auxiliary. He will definitely be missed by all! Sara Kallioinen
