“ So sorry for the loss of your mother and grandmother! As I was growing up, she was always Aunt Evelyn. It was sometime in my teens before I realized she was really a cousin and not my Aunt. The result of having a large Hardman clan. She will be surely be missed by many. She is now where she wanted to be, enjoying her reunion with all family and friends who passed on before her! My thought and prayers are with you! Til we meet again!
