“ Evelyn was a beloved personality that lived in my heart through the pictures and anecdotes that Sherrie and Rich provided in our online group. I never met her in person but felt she was 'family' just the same....lovely lady!

“ Sherrie, I have traveled with you and Evelyn on this very long journey. While my eyes well up with tears when I think of Evelyns passing, in my heart I rejoyce that dear Evelyn is now out of the fog and confusion of her illness. And I know that she is past all suffering and walking with Jesus and her beloved Arthur. I also know that she is smiling down on you and is filled with pride over you, her loving and faithful daughter.

“ Grandma, thats who she was to me. Such a wonderful woman who took me in and made me feel a part of the family. I had never seen a stronger woman and the drive she had to do things herself was amazing. I will always be thankful she was a part of my life and I will cherish her memory. God bless your family and love you all. I will be praying for you. Keri
