“ *56 years of a wonderful friendship. I have been truly blessed by having Cus in my life. And she brought to this friendship a wonderful family, including sweet Nany. Cus was a leader, a prankster, always caring about others. But best of all she was my friend. I'll miss you Cus.*

“ Lucille was a most memorable member of the Bennett 1962 graduating class. I remember her as fun\, mischievous gal. she led many of the fun times we had a lunchtimes or recesses.one year, we girls ( led by Lucille) would wear bermudas under our skirts . At lunch , we would go to the woods in back of the school( led by lucy} and learn to climb trees, build forts, sing silly songs,and just enjoy the outdoors , in general. I also recall many of the innocent pranks we pulled off under her direction. Last year, I came to appreciate the blog that she shared with many of us re her progress and treatments. she helped so many that may have to face this same challenge in the future.Thank you for being,serious funny, and inspirational. Thank you for your friendship!!!! God bless !!!! mary ann (petrucce) gates

“ Lucy was 1 year older so , in school, I had the same teachers she did. The raised eyebrows I got when I walked into the classroom on the first day of class ! I just grinned & did my best to make sure I lived up to Lucy's rep. Those poor nuns. I will miss you every day my dear sister.
