“ Aunt Evie, You were such an inspiration to me through out my life. You took me to church when I came to stay with you. Bought me new clothes so I would feel good about myself. You encouraged me to do my best and not be afraid to try something new. You brought out the best in me. I could always call and talk about anything that was troubling and I knew by the end of the conversation we would be laughing. Your smile was like warm sunshine and your heart always open. Thank you for touching my life.

“ when i think about grandma, i always remember the house in richmond and the smell of fresh popped popcorn in the house, as me and billy raced around the house, making her watch and catch the outcome of the race. billy always won. she was a wonderful person. always so sweet and kind. never a harsh word from her mouth. she would do anything for anybody. she will be missed greatly. but will always remain in my thought and prayers, and she will never be forgotten. i think myself priviledged to have her for my grand mother.
