Obituary of EVELYN SEBREE

Dr. Evelyn A. "Sis" Sebree, the great granddaughter of Umatilla's founder, Nathan Trowell, died on Wednesday, June 26. She was 83.

Sis was born November 12, 1929 in Umatilla and lived there all her life, mostly in her beloved ancestral home, which was built in 1904 by her grandfather on land homesteaded by her great grandfather in the 1850's.

She graduated from Umatilla High School, attended Florida State University for two years and then graduated with her Bachelor's degree from The University of Florida. She then taught at Lake City High School. After marriage, she taught at Skeen Elementary and pursued her Master's degree from Rollins College. She was employed at Lake-Sumter Junior College as an instructor and later became its Director of Financial Aid and for a time the Executive Director of the College Foundation. She earned her PhD from Florida State University. Sis served 25 years at the community college before retiring.

Sis was instrumental in securing a new building for the nursing program at Lake-Sumter, was on the committee to save the Umatilla Methodist Church and place it on the National Register of Historic Places, was instrumental in making the Umatilla 1910 school into a museum and also served on the Carr Cabin restoration committee. She was president of the Florida Association of Financial Aid Administrators and was active in regional and national financial aid groups. She was appointed to the Board of Trustees at Lake-Sumter after retirement. She was a proud member of the Gator Nation and became a member of the Gator Boosters in 1951, Lake County Gator Club and the Mt. Dora Yacht Club.

Sis will be remembered for her wit, intelligence, deep love for her family, her hometown and the game of bridge.

Sis is survived by her children, Roger, Wyatt (Sheri), Cathie Tarby (Peter), Twink Krug (Jeff). She was predeceased by her son, Bill. Nin will be missed by her grandchildren, Michael (Tabitha), Christopher (Sarah), Allen Barto, Ashley Morton (Josh), Lance Krug, Lanie Krug and her five great-grandchildren.

“ Sis will be missed by all who knew her. Those of us who knew her and worked with her in SASFAA for many years will always remember her for her ready smile, a good joke and occasionally a humorous story. May she rest in peace in the presence of the Holy Trinity!

“ Sis always had a warm smile whenever I was around -- kind of an aura. i didn't realize we had another special bond. I, too, am a charter member of the Gator Nation. Save a place for me, Sis, if I also make it to a better place. And, oh yes, Go Gators! Love Bill Wall, Montgomery, AL, Our association also included SASFAA -- for many, many years.

“ Such a sad heart to hear about this. You need to know that I consider Sis to be one of the reasons I am in my position today. As a new Financial Aid officer, Sis pulled me aside and made me feel special. She welcomed me into a profession where each of us made had the ability to make a real difference in the life of a student. She taught me so many of the concepts and values that I use today. Fond memories include a group of us, sitting in a circle, arguing and debating the Federal Regulations at a FASFAA Conference, probably around 1984 or so. Inspirational, kind, welcoming and warm-hearted just don't really describe Sis - I am trulay heartbroken. My prayers to her family, but rest-assured she lives on through us all!

Roger, Wy, Cathy, Bill (I'm blowing you a kiss in heaven) and Twink you are lucky people to have had such an accomplished and fabulous Mom. I'm bringing my Mom to the service this morning. Love you guys!

“ *First as a student at Lake Sumter and later as a professional Aid Administrator, Sis was always an encouragement. We always joked about my coming home back to Lake Sumter after she retired to assume her role. She was a great lady and a special role model to those of us in the Aid profession, she will certainly be missed by all.*
