Life brings many twists and turns. Everett was a great person to me. I have hundreds of memories (all good) of years together. The Diamond family were caring and very important. I will never forget the happy times and support.

“ Everett welcomed us to the neighborhood four years ago with an orange tree for our backyard. Since then, we were more than just next- door-neighbors, we became friends. He watched our children grow up and become young men. He loved the pumpkin muffins and hummingbird cake we would drop off. He will be sadly missed by our family. We ask God to bless him and his family, and Norma Jean who cared for him for so many years.

“ If it wasn't for your Dad, my son, Dale, would not be where he is at today. I loved him dearly, and he will be in my heart for the rest of my life.
