“ *Ed, Carole and Barb, We loved your Mom and Jute so much. They were such a "SPECIAL" part of our lives and we have many happy memories of them both. There were the Barn dances years ago, many wild card games, laughter filled excursions and so much, much more!! They were both generous in their time and always available to lend a helping hand. A void is in our lives now but knowing he is free from Earthly struggles and alive in our hearts gives us consolation. Our sincere sympathies go out to you all. Love and best wishes from, Mike and Cindy*

“ *We enjoyed knowing Jute. It was fun being with him and Betty. I was honored to join them in marriage and I could see they brought joy to one another. When their health permitted, Jute and Betty were in church on a regular basis when I was their pastor. They always sat near the front on my right. May God grant Betty grace and peace during this time of transition.*

“ Dear Daughter of Jute and Hattie!!!! Sent a condolence to Ed and Carole and now one to you. Just to thank you for being a great daughter to our brother Dude. You gave him grandchildren and that made him very happy and proud. He was so happy to have a little girl and you filled the space. We will miss him so and I feel so alone being the only one left out of our family. However we are glad that he is at peace and we still have our good memories of times past. “ Dear Family, I am saddened by passing of Jute but know that it is a blessing that his suffering is over. I will remember Jute as a sweet, kind, and generous man with a infectous smile and laugh. He was always so generous with his time and I have enjoyed many shortcakes and jam made from raspberries from his patch. I always smile when I think of the "bird condo" he made and has at his Fence home. He was a special cousin. I wish you a joyous Christmas filled with loving, happy memories.

“ I have happy memories of grandpa, hanging out with him, helping him put up his bird houses and working in his garden when I was younger. We also went fishing which was something he loved to do as well. I would get excited when we were going to visit grandpa, he had such a great sense of humor and always made you smile and laugh. You will be missed by us all very much and we love you grandpa. May you be at peace and be reunited with grandma in heaven. Eddie

“ May you rest in peace Dear Cousin, Jute. You were always a good and kind man. I remember the first job I ever had was helping in your kitchen prepare food for the deer hunters that came yearly to your welcoming home.

“ Every time I drink Squirt, I think of you. It makes me smile. Never forget going fishing with you , and you letting me wear your hat that said Jute on it. I'll never forget your fantastic sense of humor, or how you loved a girl in her bathing suit. Loved all the weekends up north with you and Harriet. Good memories. nadine
