“ *My Favorite Memory of our Dad was when we were growing up and every summer we would go up to New Hampshire, We had a camping trailer & a Mach 1 Boat, We'd also go to the White Mountains in NH, & Many more places and I really enjoyed what he did for us, He was the best Dad anyone could ever have.*

“ *Fabio was first and foremost a beloved member of the Corazzini-Marino family. He will be sorely missed. My cousin was a man who survived the evil of Hitler to come to America with his Mom.as a young teenager.. His Dad,a WWII prisoner of War, joined the family a bit later..From that torturous beginning he went on to a successful career in social services, He dedicated his professional life to helping others in their time of need. A serious man, he could light up the room with laughter. A lover of classical music, he could teach anyone how to listen and appreciate the genius of the composers. .A passionate man, he shared his beliefs with a compelling conviction. He cared about others. He always cared about me. He will be missed. .*
