“ Dear Mom, Thank you for giving to The Lord, I was a life that was changed. You have Blessed this family on which Nations can stand. We went to church (whether we wanted to or not). You prayed protection for us. (Whether we deserved it or not). You prayed blessings (whether we deserved it or not). You spoke Truth whether we wanted to hear it or not. One of my questions who is going to fill your shoes? I believe part of the answer is each of your six children. We are Blessed to call you Mom. The world was bless because you were in it. Thank you again. For giving to The Lord . I am a life that was changed. Love you mom.
