“ *Fay was a great friend to my mother, Rita Morgan, over many years. I will always remember her on her 3-wheeler all over town. She used to give my son (now 33 yrs. old) rides in her basket! My prayers are with all the family at this difficult and sad time.*

“ *Wow! What a wonderful long life for Sister Faye. I have wonderful memories of her from the school lunchroom. She gave my mother her first "paying job" working in the luncheon after my dad Edwin Woodard -- he was Sister Faye's first cousin -- died in 1969. I know she was very proud of her children and grandchildren. Thank you for taking such good care of her during her last years. Marsha*
