“*Dear Bill & Family, We, Arlene, whose class advisor was Bill at Kirtland High School Class of 1966, and John, as a fellow teacher at Kirtland High School, are so sorry to hear about Fay's passing. We remember with fondness our sailboat outing with Bill and Fay and waiting out bad weather in their VW bus. Because of that experience, we later bought several VW buses. Our thoughts and prayers are with all of you.*

“*Dear Mynchenberg Family, We are saddened to hear of Fay's passing. We graduated from the Willoughby-Eastlake School of Practical Nursing in 1981. Mrs. Mynchenberg set a high standard as she molded young women into the nursing profession. She challenged us academically, as she emulated kindness and compassion to our class. Molding 16 year old girls into their nursing careers was needless to say a challenging endeavor. She was gracious yet disciplined, setting a professional standard for us. We also remember her warmth and laughter. We have reflected on these fond memories though out the years. Her legacy lives on in all those she has taught. Peace be with you. Most Sincerely, Sandy (Ujcz) Durbin Anne Marie Rapich*

“ Wonderful woman and a wonderful full life she had. She will be sorely missed. And, at the same time she couldn't stay a minute longer as the Lord called her home.

“ Dave & Cindy and family, I am so, very sad to hear about your mom's passing. I met her for the first time at Tina and Kevin's wedding. It was a joy to see such a loving family. One could tell by looking at each of you how much love there was between you. I am sure that she is looking down on each and everyone one of you now and is so very proud of the family you are and that she was a large part of who you are today. Carol
