“ It is 10:00 p.m. and I just found out about my sweet sweet cousin. My heart is hurting. I have such great memories of our times growing up. She will be greatly missed, the world was a better place with her in it. She loved her children and grandchildren so much but most of all she loved the Lord.

“ We extend our sympathy to Faye's family. She was always very friendly . She loved her family. We remember she made sure that her granddaughters, when they were young, were exposed to a Christian education with regular church attendance.
