“ Karen, Keith, Michael, Kevin, and family, We are so saddened to lose this dear sweet friend and grandmother. She and your father were so very special to us. We have so many special memories of them. Your folks took the time to travel to attend our wedding many years ago and have a special place forever in our hearts. Your mom remembered our youngest one's birthday during a very difficult time for us in Boston. She never forgot any of them. Our Christmas tree will be a forever remembrance of their love for us. Thank you so much for sharing her with us so unselfishly these past few years. We trust that God will bring you comfort and sweet precious memories. Love, The Boyds
