“ *Flea was such a loving generous person, she will always have a place in my heart. There were many times that she helped me out with golf and the Cane Garden Village Cup Team, and then she continued to Captain the team. We will all miss Flea but will always remember her. May God bless and keep her. To her family, God Bless you all.*

“ I came to know Flea about a year ago. I met her during golf on Mondays. She was such a fun person and her love of the Lord was so evident. I started going to a Bible Study with her and Barbara Hopton this fall and it has been life changing for me. I will miss Flea and just want to let her family know how much she meant to all of us. My prayers are with all of you.
