“ Dear Lester, We only met you twice, a long time ago. Do you remember ELEANOR & Frank? (my Frank has been gone over 7 years now).

Shirley was my Very Best Friend in Newton High School. So many giggles in those four years of such wonderful closeness to a good friend. Time and distance separated us drastically. Old friends have asked me about her over the years but I never seem to had any news for I did not know much myself. I hoped that when we did look her and you up the only two times we ever went to FL, that she'd keep touch...I also knew how life kept her very involved with what she loved to do most, that of her drive to do the will of her Lord. I am so very proud she did find happiness after going through some tough 'early' years. God Bless My dear dear friend, Shirley.

I and all friends knew her as Shirley with her first name of FALICIA. I may spell that wrong. Few knew her as FALICIA, except me I think.

She is simply beautiful in this picture. I'd know her anywhere.

I will send you a letter, Lester, hoping the address I have is correct.

This has been a day of sadness to me as I just received the news in the mail from a classmate. Oct. 26, 2023.

May God bless you and yours as you continue along without her, knowing you will certainly be together again soon.

Sincerely,
Eleanor Gromlich
