Mom was the heart of the family, we will all miss her, but we know that she is with the Lord Jesus and with all of her family in heaven, seeing the beautiful flowers and glory.

Some of Grandmas last words were, "The Lord has always been there for me during the good times and bad." She was ready to be with the Lord.

“ *Aunt Florence was special. She was a second mother to me. I loved our talks and she had a great sense of humor. When my dad was in the hospital she came over to help. The doctors wanted to know what all vitamins my dad took in addition to his prescriptions. So we went back to the house to gather them up. The vitamins filled two large paper grocery bags. We couldn't stop laughing as we gave them to the nurse who was shocked! Aunt Florence quietly lived her faith - no lectures or sermons - just showed love and care. I will miss her.*

“ My aunt Flo, was a wonderful woman. She was strong, faithful, loved her family and was always there when we needed her. When she lived in New York, I didn't know her that well because I was a homebody. But once she moved to Florida with Glenn, I became much closer to her. She was always the place to go to for holidays and birthdays. After my mother and my husband passed away she was my strength. He was always there for me and help me through the rough times. When she was able, I used to drive up on the weekend on Sunday to take her to church and then we'd have lunch somewhere. And her later years she suffered a lot of pain, but you could really never tell it because she always had a smile on her face and she like to have a good laugh . She will be sorely missed and I will always love her. I pray that our family will still get together and be as close as we were when she was alive.

It is hard for me to put into words just how much my Aunt Florence meant to me. I can remember how she stayed in touch with our family even though she lived in New York and we lived in Ohio. I remember her kindness and patience one summer when my parents were moving to Delaware Ohio due to my father's work. Aunt Flo took all four of us (Maxine had been born yet) for the summer. She had 3 of her own and another cousin of ours was there as well. Aunt Flo seemed to take everything in stride. If we needed to be disciplined she was very gentle and talked about how important it was to be aware of other people's feelings. We always loved being around her. When we visited in Florida we usually were able to have a meal out with her until it became more difficult for her to get out. After my own mother died I always appreciated a visit with her and her family. I felt like she was a second mother to me and I am so grateful for her life and all the love she shared with so many. I know she is rejoicing in heaven and I thank the Lord for her presence in my life for so many years. I hope we can keep connected to the rest of the family and share the closeness even if I am unable to get together as often as I would like since I live in NM. I will pray for her children and extended family as they grieve the loss of this lovely woman.

“ Our Aunt Florence was an amazing woman! Words that immediately come to my mind are, joyful, generous, hospitable, kind, considerate, welcoming, patient, gracious, woman of faith, and family. There are so many more.

I will always remember with such fond memories our growing up years and all of the times spent together on weekends, holidays, and other various activities and events.

I remember after she moved to Florida she would visit us up in Lancaster, NY. On one such visit she and I had to share a bed. Before going to sleep we were talking and laughing so much that my mother had to come in and tell us to be quiet. We always thought that was pretty funny.

The Lord had given her an incredible long life on earth. She was able to see and enjoy her grandchildren and great grandchildren. Now she is enjoying eternal life with her Lord and Savior to whom she prayed daily for all of us! She always ended her letters and cards with, "love and prayers".

*With much love,

“ On Sunday night, the Lord called my Aunt Florence, the last of that generation in my family, home to be with Him. She was not only my Dad's little sister, but was married to my Mom's little brother! So many happy childhood memories with my sister Patty and "double cousins" Christine, Celia, Karen, & Glenn as our two families spent time together almost every weekend and had many adventures - everything from air-guitaring to Beatles records, to watching the Bills games on TV, to hunting for hickory nuts in the woods, to performing plays for our parents, who dutifully watched, riding bikes, swinging, and setting up our own "detective agency". That just scratched the surface. My Aunt Florence was always there with a meal, or treats, or the patience required to put up with our antics. She became a surrogate mom to us when our Mom passed away, and although she lived far from us in Florida, she was always the same when we would call or visit - as if no time had passed. I am so thankful for her.

Most of all, my Aunt Florence was a great example of faith. She loved Jesus with all her heart, and that love spread to those around her. I know she has joined the "foursome" of my Mom, Dad, and Uncle Frank, reuniting with her parents and Christine, and is enjoying her new body, with no more pain or sorrow.

I will miss you in this life, Aunt Florence, but I'm rejoicing that I will see you and the rest of my family someday! What a wonderful hope!
