“ *I was blessed to be not only Miss Hochwalt's nurse, but more deeply, her friend. My condolences to her family and friends.*

“ *You will be greatly missed by us all...but I am so glad that you lived such a long and healthy life. There are so many things that I remember about you as a child: visiting you in St. Petersburg and catching lizards out on the patio and so many events that come to mind. You were a wonderful person and you did so much for your family. It will always be remembered. I will see you again Aunt Florence. Love always.*

“ *One of the nicest ladies I have ever loved. My memories run deep and that will never change. I am so blessed to have been able to see her in January for her 100th birthday. Saying goodbye is so hard. I am comforted by the fact that I know she was loved by all her family. Her presence is a great loss to our family but her new presence in heaven with my grandmother, her brother, her parents and her Lord makes my heart not so heavy. Thank you to my Aunt for sharing her wonderful life with me and thank you to all the friends, family, and caretakers who helped her finish her life so wonderfully. My prayers and love to you all, Diana.*
