“ Dear Sandra and Rita,
I just found out about your mother's passing. I am so sorry for your loss. Please take comfort in the knowledge that she is at peace now, and reunited with your Dad. She was a lovely lady. I was always fascinated with her English accent, as a child, growing up across the street for her! You will remain in our thoughts and prayers!

“ *Bless you, Sandra, as you "send your Mom home". May you be comforted by the knowledge that she will be with the Heavenly Host, worshipping 'round the Throne, with no more cares or burdens, as she joins joyfully & freely singing praises to Our Lord! No doubt she's earned her spot on the front row!
Love & hugs, MB*

“ *I had the privilege to have been able to get to know her the short time she lived here with us. What a lady in every way of the word! Very quiet over all but get her talking and what a delight! I at times got to drive her to her appts. so we got to be alone. What a treat to have alone time with her.
I shall truly miss her!*
