“ My Nana was really awesome. She always had time for me and made me feel very special. I visited her last Thursday. While she was quite unresponsive, I am glad I was able to hold her hand and tell her how much she is loved. During my visit she was only able to mumble 3 words...as I kissed her cheek an almost inaudible "I love you" was whispered. So glad I was there. I will miss her very much but find peace knowing we share the same faith and we will shall be together again. Love you Nana!
