“ *Our hearts break for all who loved this wonderful lady. She was a great friend to us and we will miss her tremendously. Her warm smile could light up a room. Frances was one of the most honest, loving people we've ever known, who was slow to anger and very quick to forgive when someone hurt her. She lived her life by the Golden Rule and seemed to be so disappointed when others did not. Was she perfect? Of course not, but none of us are. Will we forever be grateful she was part of our lives? You Betcha!*

“ *My last chat with Fran was but a week and half ago. She talked excitedly about finally making it to the next Reunion of Portsmouth HS Class of 1957 Autumn of 2012. Plans do change so quickly. She will be sorely missed by all of us. May she be happily reunited with her true love.Reggie. God Bless them both.*
