“ I met Fran and Annette through bowling, but I was closer to Fran. She inspired me. She helped me. We e-mailed back and forth. I just hope I will still be bowling at age 90. My condolences to all her family members.

“ So sorry to hear about Fran and pray she died peacefully and didn't have to suffer. I bowled on a team with Fran and Annette for years and then bowled in same league with Fran until she stopped bowling. She was an amazing lady and was we had a friendly competition between us and she always wanted to beat me and she usually did. We had many good times bowling together and she is and will be missed. Thank you for sending me the notice with the picture, that is so nice. My thoughts and prayers are with all the family. Joanne Luce
