My mother will be a good friend to her in heaven, so don't fret she is in good hands I truly beleive that. GOD BLESS YA'LL

“ "My Flordia Family" Peace and love. My memories of Frances go back in time. She was a good mother to her children, as her children were so devoted to her. I will miss her.

“ Frances was a special lady and a great person to all who had the priviledge of meeting and visiting with her. Her children are a reflection of her goodness. I know she IS IN THE ARMS OF THE ANGELS this very moment and she has a big smile on her face as she visits her "folks" who have went before her to accept their HEAVENLY REWARD.

“ Jim, Jimmy Jimster, Jimerama..., We are so sorry to hear about your mother and though we never met her, she sounded like a real special lady and we know she will be missed. I know that there is nothing really to say that will make everything all better but just know that we miss you and love you. Be careful coming back. Love you lots, Kelley and Wendy
